On behalf of the Igbu Upata Council of Traditional Rulers and Chiefs, Elders, Women and the Youth Council, I write to express our profound appreciation to you and members of USAMA Ekpeye USA INC for identifying with our aspiration to build a permanent palace for Eze Igbu Upata at Edeoha.

We are hopeful that this passion for the growth and development of Upata, as demonstrated by your Association's generous contribution to the building of the palace shall be sustained for the collective good of our people.
